

AUGUST BULLETIN

- Birdhouse Studio would like to welcome Tad Doyle to our family of engineers/producers. Mr Doyle can be contacted at 206-651-5532 if you are interested in booking a session.
- In September the monthly bulletin will evolve into a small zine (Megawatt News) to create a stronger sense of community, facilitate more gigs, connections and general awareness of what our fellow renters are doing along with the happenings of SAS, Birdhouse Studio, etc... Our own Justin Kleine will act as editor and can be reached at megawattnews@gmail.com. We are looking to include a roster of SAS bands with pictures/happenings/gigs/band contact info/etc...but no personal/rental info, we aren't giving out room numbers/locations. This is still only for renters, we are not going to distribute to the public. If you are interested in contributing as a writer/photographer/cartoonist please let Justin know! Thanks
- Birdhouse Studio is producing a series of live performances to be recorded with an audience. Details to be released soon, looking for early submissions from bands/artists interested in participating. Send contact info, bio, and samples to birdhousestudioseattle@gmail.com
